Suzanne Cohen: Pottery and glass

I have enjoyed working and teaching pottery and glass fusing for many years. When working with clay my mind and body can only concentrate on what I am

doing. The pleasure of any art or craft is the participating. I will be doing one-hour pottery wheel session (pre-booked) Please phone for a time slot. 0785 733 7114. Cost £15.00.

Claire Fulleylove: Mixed media mosaics

Mosaic is my passion. Some projects are neat and meticulous, others will be quirky and individual, the possibilities are endless. Inspiration may

come from anywhere, including the materials themselves. All you need is an open mind to allow creativity to flow. Email:

Clairefulleylove@icloud.com

Maria Billington: Metalwork

My first love is mild steel, but I also work in aluminium and copper. I design and make: clocks, vessels, tabletop sculptures, garden pieces and some jewellery.

Diana Jane: Photography and mixed media

I create mixed media landscapes and images that have an ethereal quality. I use many layers of photographs, paint and textures to create work that

blends the boundaries between reality and fiction. Please contact me on:

Martin Tyler: Pottery

I love expressing myself through working with clay by hand and on the potter's wheel. Each piece is hand-made, glazed and decorated, making it a unique piece of art.

I am happy to discuss

commissions. Please contact me:
